

Afternoon Specials

2009-2010

All children enrolled in an afternoon class will stay for lunch. Lunchtime is from 11:45 to 12:30.

For our Two year olds 11:45 a.m. – 2:30 p.m.

Nibble and Nap

That's just what it is, Nibble (lunch) and Nap, (and some playtime too). This afternoon special gives our 2 year olds an opportunity to stay at school like the big kids with some social time and rest time. This also gives Mom an opportunity to run a few errands. ☺ You can choose one day a week or more. Nibble and Nap is offered M-F.

For our Three – Five year olds 11:45 a.m.–2:30 p.m.

Passport to Fun

This afternoon special is an adventure. Students will learn about their world. It will touch on Geography, customs, food, art and more as they learn about various states and countries. The students will learn to interact with one another encouraging cooperation, language development and social skills. Passport to Fun is offered M/T/W.

Art

The students explore a variety of art techniques geared for the preschooler. Art class promotes interaction with other students, creativity, and fine motor development. Art is offered W/Th.

Science Club

Hands on Science. Children will experience a number of activities that will spark the imagination and curiosity in a fun and interactive way of exploring God's world. This afternoon special is offered on M/T/W.

Gardening Club

Hands on experience in all areas of Gardening. Gardening club will give our students more experience in exploring God's world. This class will include activities in seasonal gardening, horticulture, recycling, paper making, making flower vases out of pottery, and much more. This class is offered on Th/F.

Drama

Making literature come alive through dramatic play, puppets and crafts. Drama will also give children an opportunity to "broad cast" CCS news. ☺ This exciting class promotes language development, creativity, social skills and self esteem through dramatic play. This class is offered on W/Th/F.

The Book Beyond....

This class is designed to inspire children to not only read a book but opening their imagination up to what they are hearing and becoming actively involved in what the story is about to encourage story retention. This exciting class promotes language development, social skills, math skills and the students will have fun with cooking and art. This class is offered on T/W.

Tumbling & Yoga

Jump and roll. This class will combine the beginning techniques of tumbling and learning some of the beginning postures of yoga. This will help encourage balance and self-esteem for the pre-schooler. This class is offered M/T.

Espanol Solamente (Spanish Only)

This class will help the preschooler expand their practice of the Spanish language through hands-on activities. These activities will include gardening, centers, art and more! Spanish is offered M-Th
